Breakfast at Larry Stock's Pantera Parts Connection

Depart Circus Circus at 8am

Option #1: Spirited "Brunch Run" in the High Sierra

Departs from Circus Circus at 10:30 or PPC at 10:00 am

This run will remind you as to why you love your Pantera. We will go west on I80, north on hwy 89, then head west on hwy 49. This is one of those mountain roads whose speed limit has defaulted to 55, while most cars struggle to do 40-45. Between the awesome beauty and the driving experience, you will have a huge grin on your face. After lunch at Bassetts, we will continue just up the road to the scenic overlook for the Sierra Buttes.

Option #2: The Sierra Boat Works at Carnelian Bay (Lake Tahoe)

Departs from Circus Circus at 10:30 or PPC at 10:00 am

An option to the "spirited drive" is a visit to the Sierra Boat Works on the north shore of beautiful Lake Tahoe. They specialize in restoring classic wooden boats from the 1920's, 30's 40's and 50's. Their workforce gets as much pleasure looking at our Panteras as you will from seeing their whole operation, their craftsmanship is extraordinary
